Did you know? Your library is available 24/7 wherever you're online! All you need is a Jemez Springs Public Library card to access a world of reading for fun and information for all ages. (We love to see you in person too, of course!)

- ◆ Learn one (or several) languages with the fun and comprehensive database, Mango Languages-even Pirate! From beginner to advanced, users can track their personal progress.
- ◆ Need to learn a bit more for any test under the sun? Try LearningExpress Practice tests with additional tutorials and resources for job and career such as Microsoft Office, Adobe Photoshop and Illustrator, resume builder and more. Brand new GED test prep with real test pages and questions too so you'll know exactly what to expect.
- ◆ Just craving something really great to read but the library is closed? Try OverDrive, our downloadable e book and audiobook service. Read or listen anytime, anywhere on your phone, tablet, or computer.
- ◆ For these and other online services, check out the **[LIBRARY CATALOG](#)**. Log in with your library card number and password (call us if you don't have one or don't remember) and enjoy your library wherever you are!

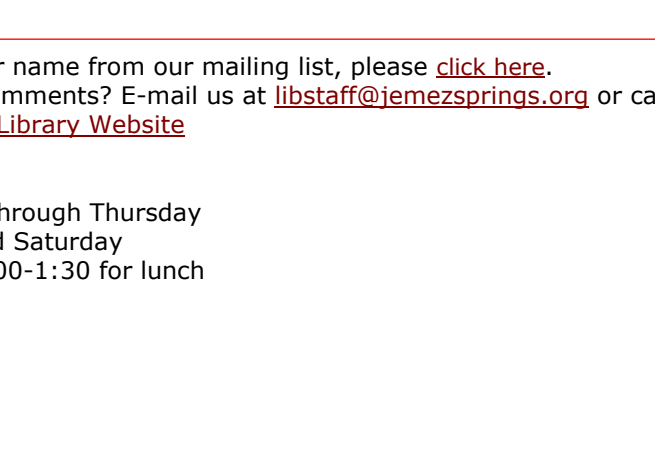

#### August 28 6:00 PM Book Discussion Potluck

**Join the Friends for a walk in the wild on Sunday, August 24th: find out about local medicinal plants with expert guide Jesse Boudreau. Check the Village calendar for details later in the month.**

#### Thank you!

Many thanks to our wonderful Summer Reading Coordinator Erin Middleton; author Dede Feldman, who not only gave a great talk but also generously donated half of the proceeds of her book sales from the Friends Sunday Salon to the library; and to all of our great volunteers who work behind the scenes, making this a great community library!
